Unconscious Bias Training (Module 1: 10/23/19; Module II: 11/6/19)

Social psychologists and other social scientists have found that all of us regardless of ethnicity, have cognitive biases that influence how we perceive and make decisions about other people. The behavior of human beings is often guided by racial and other stereotypes of which we are completely unaware. This training will guide participants through a deep journey of personal exploration for an awareness of the shortcuts and subsequent perceptions we make about people and our surroundings. It will also provide skills through transformative learning to increase awareness about our cognitive biases and other intervention strategies.

Legal Rights and Risks (11/14/19)

A benefit of membership is access to Group Legal Service (GLS) attorneys for work related and personal issues. This training will include a myriad of topics important to you as an educator. What are your rights when it comes to accommodations, assignments, harassment, job security, working in a safe work environment. What risks do you face as an educator? This is one of CSCC's most popular trainings and is sure to fill up fast. Don't miss the opportunity to be well informed.

2nd Annual Friendgiving (11/22/19)

The Capital Service Center Council Equity Team is excited to host its 2nd Friendgiving event. Dolores Huerta, President and Founder of the Dolores Huerta Foundation will be our keynote speaker.

Friendgiving is a gathering of diverse CTA members in the Capital Service Center Council area. We are reaching out to involve all voices in the education community.

This event surely will be communal in nature and inspiring.
