

New Year, New Professional Development!

Welcome back teachers! To kick 2021 off on the right foot, there are a number of **new** professional development opportunities led by Folscom Cordova's own Expert Teachers coming up. Please note the topics, dates and times below. To attend these trainings, please make sure to sign-up through GSMU.

Attendance for any of these trainings are on a voluntary basis.

Please make sure to sign up prior to the date of the training. GSMU cuts off registration on the day.
